

# Permission Form

## Day Trips, Biking, Adventure Programs, and Evening Excursions

Your camper will have the opportunity to go on occasional day trips and other off campus activities. Every activity is supervised by trained, certified, caring, and mature staff members of Campus Kids. Please fill out this Parent Permission form granting permission to do these various activities. **This form does not sign your child up for these activities, it simply gives him/her permission to participate if he/she chooses.** If you have any questions about a specific activity, please call the main office. It is important that this form be completed and returned to the camp office as soon as possible. Each camper must have this form on file before he/she begins camp.

Camper Name: \_\_\_\_\_

Grade as of September 2009: \_\_\_\_\_

I give permission for my child, named above, to participate in the following activities offered by Campus Kids Summer Camps.
